

We're recruiting!

Retreat and hospitality centre team members (residential)

Do you love to serve people using the gifts of hospitality and practical loving care?

At Quiet Waters Christian Retreat House, on the Norfolk / Suffolk border, we provide a friendly guest house experience for those seeking time to rest, think and pray. Our guests find this quiet and safe environment enables and encourages the personal freedom to experience God's love and peace. We have also just opened a Creative Space in our 'log cabin' in the woods to enable guests to tap into their creativity.

Our team needs members with a range of complementary skills. We will use your gifting whether it's cooking, hospitality, leading devotions, offering a listening ear, cleaning, administration, communications / social media, property maintenance, gardening, creative arts or more!

First and foremost, we want Christians who are passionate about what we do at Quiet Waters in serving God and our guests.

We are seeking a married couple or two single people to join the team as soon as possible. Our team also consists of a part time housekeeper and part time gardener. We are a small organisation with nine bedrooms plus the ability to host day guests / groups.

For further details including a job description, or to have an initial informal conversation please contact the Chair of Trustees, Paul Dunning on chair@quietwaters.org.uk
