

Greetings from Quiet Waters Christian Retreat

Dear friends

Due to the current Corona virus pandemic we will be closed until the end of the current lockdown (2021). We anticipate that (as previously) different sectors will be allowed to open sequentially as the lockdown is slowly released. Sadly, due to the nature of our business, the hospitality industry has been one of the last to be allowed to open fully. We will be taking bookings however before our opening date once we are fully made aware of when lockdown will end for us. We will make every effort to publish our anticipated opening dates when they are made available.

Do feel free to contact us anyway via letter, email, or phone as it is always a pleasure to hear your news. We may not be open but we are monitoring the phone and phone messages and checking our emails regularly.

With love and blessings

The quiet waters Team
